

## PREMIUM BASEBALL BASES

# WARRANTY INFORMATION 2019

---

HBase, striving to be the #1 Baseball base in the world, offers an industry leading multi-year warranty on all bases we sell.

---

---

- ~ Our bases come with a conditional 2-year guarantee on quality and workmanship and at our discretion we will repair, replace, or offer a refund on any bases that fail under normal baseball conditions. ~ Any bases that are damaged due to misuse, malicious intent, cutting from sharp objects, damage from heat sources (such as hot irons, flame, exhaust pipes, etc.), water saturation, graffiti, or any non-baseball related activities are not covered under this warranty.
- ~ Spike pegs come with a one-year guarantee, but are a replaceable item and can be purchased for outside of warranty repairs
- ~ The warranty timeline is based on use by individual leagues only (20 teams or less). Use by more than one league may reduce or eliminate the warranty.
- ~ Cannot be used as 3rd party rentals or the warranty is null and void.
